RE: Advertisement in *warrington worldwide*

Dear Gary

I would like to take the time to say how much of a response we have had since we started advertising in *warrington worldwide* magazine. Business has improved noticeably, and we are getting a lot more general inquiries.

As a local business we had previously tried different advertising campaigns with other types of media to get our name out there, none of which were as cost effective as yourselves, or had such an impact in a short period of time, so many thanks to you and all your staff
