Re: Advertising Feature in Warrington Worldwide magazine

Dear Gary

I would like to take this opportunity to record in writing the success of my advert placed in your magazine.

As local business, we are always looking for ways to promote our name in the most cost effective and efficient way. We have tried various types of media at considerable expense with the results difficult to quantify.

However, since placing our advertising feature in Warrington Worldwide magazine we have noticed an increase in trade and general enquiries. We have gained business from the public and local companies through this advertisement.

Warrington Worldwide has provided us with the service we were looking for and I would not hesitate in recommending it to anyone wishing to promote their business in the Warrington area.

Keep up the good work.

Regards
